

HAP CONSULTANCY

FINANCIAL EXPERTISE.
STRATEGIC SOLUTIONS.
LASTING SUCCESS.

ABOUT OUR COMPANY

HAP Consultancy is a trusted partner providing end-to-end financial, compliance, and strategic advisory services to businesses across sectors. With a deep understanding of evolving regulatory landscapes and industry dynamics, we offer tailored solutions that help businesses maintain financial clarity, ensure seamless compliance, and make informed strategic decisions. Our client-centric approach, proactive guidance, and commitment to excellence empower startups, growing enterprises, and established companies to confidently navigate challenges and unlock sustainable growth.

VISION & MISSION

Vision

HAP Consultancy envisions becoming a trusted partner for businesses, delivering innovative financial, compliance, and strategic solutions that drive long-term growth and success.

- ★ Empowering businesses to confidently navigate financial and regulatory complexities.
- ★ Driving innovation and excellence in financial advisory services across diverse sectors.

Mission

Our mission is to provide businesses with tailored financial, compliance, and strategic advisory solutions that ensure operational efficiency, regulatory adherence, and sustainable growth.

- ★ Offering proactive, client-centric guidance that evolves with changing business needs.
- ★ Building long-term partnerships by delivering value-driven, transparent, and effective solutions.

OUR SERVICES

Internal and Statutory Audit

Comprehensive audit services to ensure financial accuracy, regulatory compliance, and operational efficiency across all business functions.

Financial Planning and Assistance

Tailored financial strategies to support budgeting, forecasting, and investment planning, aligning with your business goals.

Business Automation Solutions

Leveraging technology to streamline financial processes, improve accuracy, and enhance decision-making through automated systems.

Startup Advisory Services

End-to-end advisory support for startups covering incorporation, financial structuring, investor readiness, and regulatory compliance.

Financial Process Outsourcing

Efficient outsourcing solutions for accounting, payroll, and financial reporting to optimize costs and enhance operational focus.

Tax-Domestic and International

Expert tax advisory for seamless compliance with domestic regulations and cross-border tax planning for global operations.

TESTIMONIALS

VISIT: WWW.HAP-CONSULTANCY.COM

As the Founder of Foodcription Private Limited, I have had the privilege of working with HAP Consultants, and their expertise has been instrumental in shaping our financial and compliance framework. From seamlessly handling our incorporation process to crafting detailed financial projections that made our company investment-ready, their team has been a pillar of support.

— Anand Pareek
Founder & Managing Director, Foodcription Private Limited

"HAP Consultancy has been a valuable partner in strengthening our financial processes and ensuring seamless GST compliance. Their deep understanding of the textile industry, combined with their proactive and professional approach, has helped us maintain accurate records, streamline operations, and stay audit-ready. We highly recommend HAP Consultancy to any business looking for reliable financial and compliance expertise."

— Yogendra Sharma
Managing Director, Textile World

"HAP Consultancy has been instrumental in managing our financial accounting and GST compliance with precision and professionalism. Their expertise and proactive approach have helped us streamline our financial processes and ensure full compliance, allowing us to focus on growing our business. We highly recommend HAP Consultancy for their reliable and knowledgeable financial services."

— Naveen Parakh Managing Director, House of Naveen

"HAP Consultancy has been a trusted partner in supporting Hala Mobility's growth journey across multiple fronts. From financial accounting and GST compliance to strategic financial planning, investor due diligence, and regulatory advisory, their expertise has been invaluable in helping us navigate the complexities of the EV sector.

— Team HALA Mobility
